

# WE INVESTIGATE. WE UNCOVER. WE PROTECT THE TRUTH.

Truth Track Investigations is a specialized investigative firm that identifies and investigates reporters and media professionals who use their platforms to influence, incite, or assist in criminal activity under the guise of journalism.

## OUR SERVICES

### IDENTIFY

We monitor and identify patterns of reporting that may cross the line from journalism into criminal influence.

### INVESTIGATE

We conduct in-depth investigations using open-source intelligence, documents, witnesses, and digital forensics.

### ANALYZE

We analyze intent, context, and impact to determine whether reporting activity may constitute incitement, encouragement, or assistance of a crime.

### REPORT

We deliver comprehensive investigative reports suitable for legal review, risk assessment, and reputational protection.

**BECAUSE FREEDOM OF THE PRESS IS NOT A LICENSE TO COMMIT A CRIME.**

We operate within the law to uphold the law. Our mission is to ensure accountability in journalism and protect individuals, businesses, and communities from media-driven harm.

## OUR METHODOLOGY

### MONITOR

Continuous media and social monitoring

### COLLECT

Data gathering from multiple sources

### CORRELATE

Cross-checking facts, connections, and intent

### DOCUMENT

Detailed, evidentiary reports

### DELIVER

Actionable intelligence and risk mitigation support

**HOLDING THE LINE BETWEEN JOURNALISM AND CRIMINALITY.**

Truth Track Investigations is a private investigative firm. We do not provide legal advice. All investigations are conducted in compliance with applicable laws and ethical standards.
