

JUSTICE INNOVATION LAB

**RAISING THE BAR FOR
INTEGRITY & ACCOUNTABILITY IN FOOTBALL.**

The Justice Innovation Lab is dedicated to building new models that ensure footballers receive trustworthy advice and hold unethical advisors accountable.

UNCOVER ABUSE

Identify advisors and firms giving misleading, harmful advice.

- Investigate unethical practices and questionable conduct.
- Expose those willing to exploit footballers for personal gain.

ENSURE ACCOUNTABILITY

Demand transparency and high ethical standards.

- Hold legal and financial advisors accountable for their actions.
- Advocate for fair treatment and honest guidance.

CREATE CLARITY

Develop resources to educate footballers on their rights and options.

- Provide clear, reliable, and practical advice specific to football careers.

DEMANDING JUSTICE FOR FOOTBALLERS.

We're exposing those who abuse positions of trust, ensuring transparency from advisors, and creating clearer paths to justice and security for every footballer.
